SUBJECT: Draft Fiscal Year 1986 Intelligence
Authorization Bill

1. Attached for your review and comment is a draft Fiscal Year 1986 Intelligence Authorization Bill, which will be transmitted to the Office of Management and Budget (OMB) for Administration clearance prior to its submission to Congress. Titles I through III and Title VI of the draft bill are, for the most part, routine in nature and similar to comparable provisions contained in the Fiscal Year 1985 Authorization Act. Similarly, Title IV's provision addressing Executive Level Schedule increases for the DCI and DDCI and Title V's provision of authority to the Department of Defense to operate and maintain proprietaries are substantive legislative initiatives which have been included in previous Authorization Bills. The remainder of Title IV's provisions addressing interlocutory appeal authority for the Agency; Agency discretion with respect to hiring, firing, and security determinations; personal liability limitations in actions arising out of security determinations made by IC personnel; and Agency authority to continue to make security determinations without regard to applicable laws and regulations addressing drug and alcohol abuse are initiatives which are being included in the Intelligence Authorization Bill for the first time. The criminal leak and immigration proposals contained in the Intelligence Community Legislative Program may be pursued as freestanding legislation later this session, but will not be included in this year's Authorization Bill.

2. Some of these proposals obviously are controversial in nature and each of these initiatives will not necessarily be included in the Authorization Bill when it is finally transmitted to the Congress. In order to obtain timely Administration clearance from OMB for these proposals so that we may, if we choose, pursue these proposals as separate initiatives if they are omitted from the Authorization Bill, it makes sense at this stage to provide the entire package to OMB.

3. I would appreciate receiving your comments on the attached draft bill no later than COB 14 January 1985. If you have any questions concerning the attached draft bill, do not hesitate to contact me
